## Iodus 2

L'esprit Iodus est une recherche constante d'un produit «Essentiel».

Juste par sa matière et sa coupe, la mode n'est qu'un prétexte.

C'est un produit intemporel et élégant.

Son modernisme est racé.

L'évolution de chaque été vise à la création d'un maillot de bain presque idéal, qui valorise toutes les silhouettes.

C'est aussi un concept global de luxe, dans l'univers du beachwear, qui s'enrichit au fil des saisons de nouvelles lignes de produits.

The IODUS concept continuously strives for the «Essentiel» product. Perfect in cut and fabric, whereas fashion is merely a pretext.

The IODUS concept is timeless, stylish and elegantly modern. This quintessential

bathing-wear range flatters all silhouettes. All-round beachwear luxury to be joined by

future collections.

El espíritu de IODUS es la búsqueda constante de un producto «Essentiel».

Solo por su materia y su corte, la moda no es más que un pretexto. Es un

producto intemporal, con el arte y la elegancia del modernismo

contemporáneo. Es ante todo la quintaesencia del bañador que pone en

valor todas las siluetas. Es un concepto de lujo en el universo «Beachwear» que

se enriquecerá con el paso del tiempo con nuevas líneas de productos.

Der Esprit und das Erfolgsgeheimnis von IODUS liegt in der ständigen Suche nach dem «Essentiel» Produkt. Nur die edle-

sten Stoffe und perfekte Schnitte, die Mode ist für IODUS nur ein Vorwand.

Ein zeitloses und stilvolles Produkt, im zeitgenössischen «Modernisme» Stil. Die

Quintessenz der Badeanzüge betont jede Silhouette. Mitten im «Universum der

Beachwear» präsentiert die Linie IODUS eine umfassende Konzept von perfekter

Passform und unaufdringlichem Luxus, ein Konzept, das ständig verbessert und über-

arbeitet wird.
