# FUNSHINE

L'acqua, il vento, il sole, i colori.  
La bellezza intorno, dentro, addosso.  
Una vacanza con un'amica, un lago con il suo mix di riservatezza e intimità.  
Una barca per sentirsi libere di esplorare, di non fermarsi, di scegliere.  
Un molo in mezzo al blu dove sostare ad ammirare panorami e lasciarsi cullare dall'acqua.  
Natura e colore, classe e femminilità, semplicità e sofisticatezza, dosate e mixate per creare un'armonica fusione di divertimento e splendore.  
La collezione Feeling EveryWear S.S. 2023 coniuga la voglia di esprimere se stesse, con la passione per la vita.  
La primavera e l'estate si vestono di cotone, viscosa, lino e, nei costumi fantasia, di materiali green, realizzati con filati ottenuti dalla plastica riciclata in seconda vita e con stampe all'acqua, rispettose dell'ambiente.  
Costumi, fuoriacqua e abiti che accompagnano ogni momento della giornata, per sentirsi bene in ogni occasione.  
Per sentirsi bene sempre e ovunque.

*Water, breeze, sun, colors.  
Beauty is all around, is within you, is on you.  
A holiday with your bestie, a lake whit its mix of privacy and intimacy.  
A boat to feel free to explore, to choose.  
A dock in the middle of the blue water, where you can take your time to admire the landscapes and let yourself be lulled by the waves.  
Nature and color, class and femininity, simplicity, and effortless sophistication, mixed and matched to create a harmonious ensemble of amusement and magnificence.  
Feeling EveryWear S.S. 23 collection combines the desire to express oneself with passion for life.  
Spring and summer are dressed by cotton, viscose, linen, and eco-friendly colorful swimsuits realized with recycled plastic and water prints.  
Swimsuits and beachwear suitable on every occasion and in every moment of the day.  
Feel good anytime, anywhere.*
